THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU): (a) to (d) Yes, Sir. Construction/re-construction/ strengthening of railway bridges is an ongoing process on Indian Railways. Railway undertakes repair, rehabilitation/rebuilding of bridges on the basis of their physical condition as ascertained during annual inspections carried out in the field. The statistics of repair, rehabilitation/ rebuilding of bridges is maintained Railway Zone-wise not State-wise. As on 1.4.2005, there are total approximately 761 bridges identified and sanctioned for rebuilding/rehabilitation on four zonal railways i.e. East Coast Railway (ECoR), South Central Railway (SCR), Southern Railway (SR), and South Western Railway (SWR) which serve the State of Andhra Pradesh also. The bridge rehabilitation/rebuilding works are being funded mainly out of Special Railway Safety Fund (SRSF) and Depreciation Reserve Fund (DRF). A total of Rs. 106 cr. has been provided in the Budget Estimate in the current year *i.e.* 2005-06 on these four zonal railways for execution of such bridge works. In addition, new bridges are also being constructed/strengthened out of projects for new lines, doublings and gauge conversions on these Railways.

The details of these 761 sanctioned bridge works along with fund allotment for their repair, rehabilitation/rebuilding works on the above four zonal railways is given as under:

S. No.	Railway	No. of bridges identified and sanctioned as on 1.4.2005	Budget Allotment in 2005-06 (in cr)
